Monday Night Racing starts June 1st New All Fleet Sailing Instructions

Blue time the latest version

The latest version of the RYC sailing instructions are posted on the RYC website. Most of the changes in the latest version are in the time limits. Check them out before you finish TLE.

Monday Night Racing

Open racing on Monday nights for Lasers and Optis will start June 1st. This year there will again be a Masters Fleet. Monday nights are open to all sailors. They do not have to be members of Riverton Yacht Club. So get your friends to come out & join you and let them enjoy the challenge of tide & current in a small boat.

The G Rex Showell Regatta/Party

You should have been there. The racing was great with a nice breeze up the river. I still don't understand PHRF, except maybe those big boats can carry more adult beverages? The party was outstanding. Thanks to the J22 fleet

MAYRA Invitational Dinghy Regatta

Opti's & 420's on Saturday June 6th, **Laser's, Laser Radial's & Sunfish** on Sunday June 7th, The schedule for both days is the same. Registration starts at 10am, Skipper's Meeting at 11:30 am, First Race at 12 noon For more information go to the MAYRA website www.mayra.org or contact Hank Croft at wcroftarch@verizon.net

Wednesday Night Rules & Common Sense

Wednesday night is the busiest time on the pier. With boats moving all over the pier, our vice commodore would like to remind us of a few safety & common sense rules.

Children under 12 must wear a lifejacket at all times. Bicycles should be stored in the bike rack at the gate.

No one under 18 should be operating any of the cranes.

While dogs on a short leash are usually welcome at the club, on Wednesday nights it would be best if they stayed home for everyone's safety

Missing Hand Truck

If you borrowed the RYC hand truck please, bring it back. The stewards need it to move the trash and other heavy stuff.
